MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 5 to Contract No. BA-732  
with Baird-Atomic Inc. - Project [REDACTED] (AQUATONE)

25X1

1. Contract No. BA-732 provides for the services of technicians trained by the subject company in the operation and maintenance of sextants at places within the ZI and overseas, on temporary duty and permanent change of station status.

2. Periodic salary increases have been granted by amendments in the past. This Amendment No. 5 provides for a salary increase of \$300 per year for two field representatives and an increase of \$500 per year for a third representative. The increase in salary appears reasonable. This amount does not change the present obligation.

3. Approval of Amendment No. 5 to Contract No. BA-732 and execution thereof on behalf of the Agency by the authorized Project Contracting Officer is recommended.
